

Edgar Cayce's Nanaimo Metaphysical Network

Schedule: January through June, 2008

Our purpose is to inform, share, and develop a sense of community between people who are open to exploring varieties of spiritual and metaphysical experience and the nature of the mind.

Interested in presenting a talk to promote your metaphysical or holistic work or interest, purely as a service? Please call 753-2110.

Meeting at Unitarian Fellowship Hall, 595 Townsite, first and third Thursdays of each month, at 7 pm.

Network meetings are open to all.

Jan 3rd, 2008 **Channeled Psychic Healer, Dr. Singh with Lucy Dumouchelle** -- Lucy channels an entity who offers "healing modalities made from that which Creator has gifted unto humanity: flowers, herbs, shrubs, all manner and parts of trees."

Jan 17th, 2008 **Healing Sound with Didjeridu & Drums with Leah Morgan and the Rhythm and Light Collective** -- Leah will lead the evening with her incredible Didj sounds, and everyone will experience the amazing vibrations personally. The evening will end with *the Collective*, a group of 10 drummers, who will send us home on the wings of primal African rhythms.

Feb 7th, 2008 **Hypnotherapy with David Large** -- Co-owner of the Vancouver Island School of Hypnosis, author David Large will share his understanding of how and why hypnosis works. Learn how "hypnotized" we actually are in daily life, and how easily we can re-programme ourselves, for a positive new life.

Feb 21st, 2008 **Healing Celebrations with Wendy Jacobosky** - Learn how the human spirit craves celebration and ceremony! Wendy's ministry includes creative celebrations for all of life's occasions -- not just the ones we usually celebrate. Learn how important it is to celebrate such things as new status of any kind, divorce, a new house, coming of age, job endings, job beginnings, motherhood, fatherhood, and, for that matter: grandparenthood!

March 6th, 2008 **Life on the Other Side with John Shurvell** - A medium trained in England, John is uniquely qualified to share his understanding of what life is like on the other side of the doorway we mistakenly call "death".

March 20th, 2008 **Reincarnation, Karma & Grace with Judith Munns** -- An introduction to Edgar Cayce's concept of how we build karmic situations in this current life experience (or through many lifetimes) and how to recognize them! And then, with the application of certain spiritual laws, she'll demonstrate how we can heal them -- once and for all.

April 3rd, 2008 **Examining Tarot with Eileen Harakas of Lobelia's Lair.** Eileen's journey from the field of Social Work to Metaphysical Reader of Tarot, and shop-keeper extraordinaire is a fascinating one! She'll share her favourite decks (including some vintage ones) and demonstrate with some short readings for audience members.

April 17th, 2008 **Remote Viewing -- Top Five sites -- with Tim Findlay.** Unhampered by loyalties to recognized organizations or government agencies, Tim learned remote viewing through self-study, and has developed a fascinating, fully illustrated AV talk on his experiences. Learn why Remote Viewing is now a top concern of governments worldwide.

May 1st, 2008 **Spiritual Journey in Peru with Ev Schmidt** - Inspiring lessons gleaned from a journey to the fabled Incan city-ruins of Macchu Piccu, in the remote Peruvian Andes, in the spring of 2007.

May 15th, 2008 **Understanding and Nurturing Indigo Children with Wendy Mewhort** - Local author, channeller, and mother of three, shares her special knowledge of the needs and gifts of today's Indigo or Crystal Children.

June 5th, 2008 **Channelling "the Wonders" with John Hardman** - *more information to follow...*

June 19th, 2008 **Psychic Healing, with Leoralea Aquino** -- Our favorite medium and psychic reader, Leoralea, never fails to charm, educate, and entertain!

Network meetings are open to all. Stay tuned for Summer Solstice, 2008!
